SIGNATURE TREATMENT

Hydro *Heal*

MOLECULAR HYDROGEN THERAPY

A safe, non-invasive wellness treatment that delivers high-purity hydrogen through a comfortable nasal cannula. HydroHeal supports overall wellness, helps combat oxidative stress, and promotes cellular health from within.

KEY BENEFITS

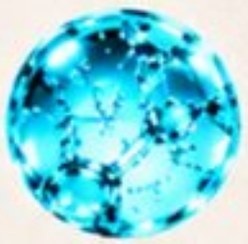

POWERFUL ANTIOXIDANT SUPPORT

Helps neutralize harmful free radicals.

SUPPORTS CELLULAR HEALTH

Promotes healthy aging and recovery.

ENHANCES MENTAL CLARITY

Supports focus, energy, and overall cognition.

OVERALL WELLNESS

Supports immune function and natural inflammation response.

TREATMENT DETAILS

SESSION LENGTH
30–60 minutes

COMFORT LEVEL
Delivered through a nasal cannula. Relaxing and comfortable.

RECOMMENDED SERIES
Varies based on your wellness goals.

DOWNTIME
None
You can return to normal activities immediately.

ADVANCED RECOVERY & WELLNESS

HBOT

HYPERBARIC OXYGEN THERAPY

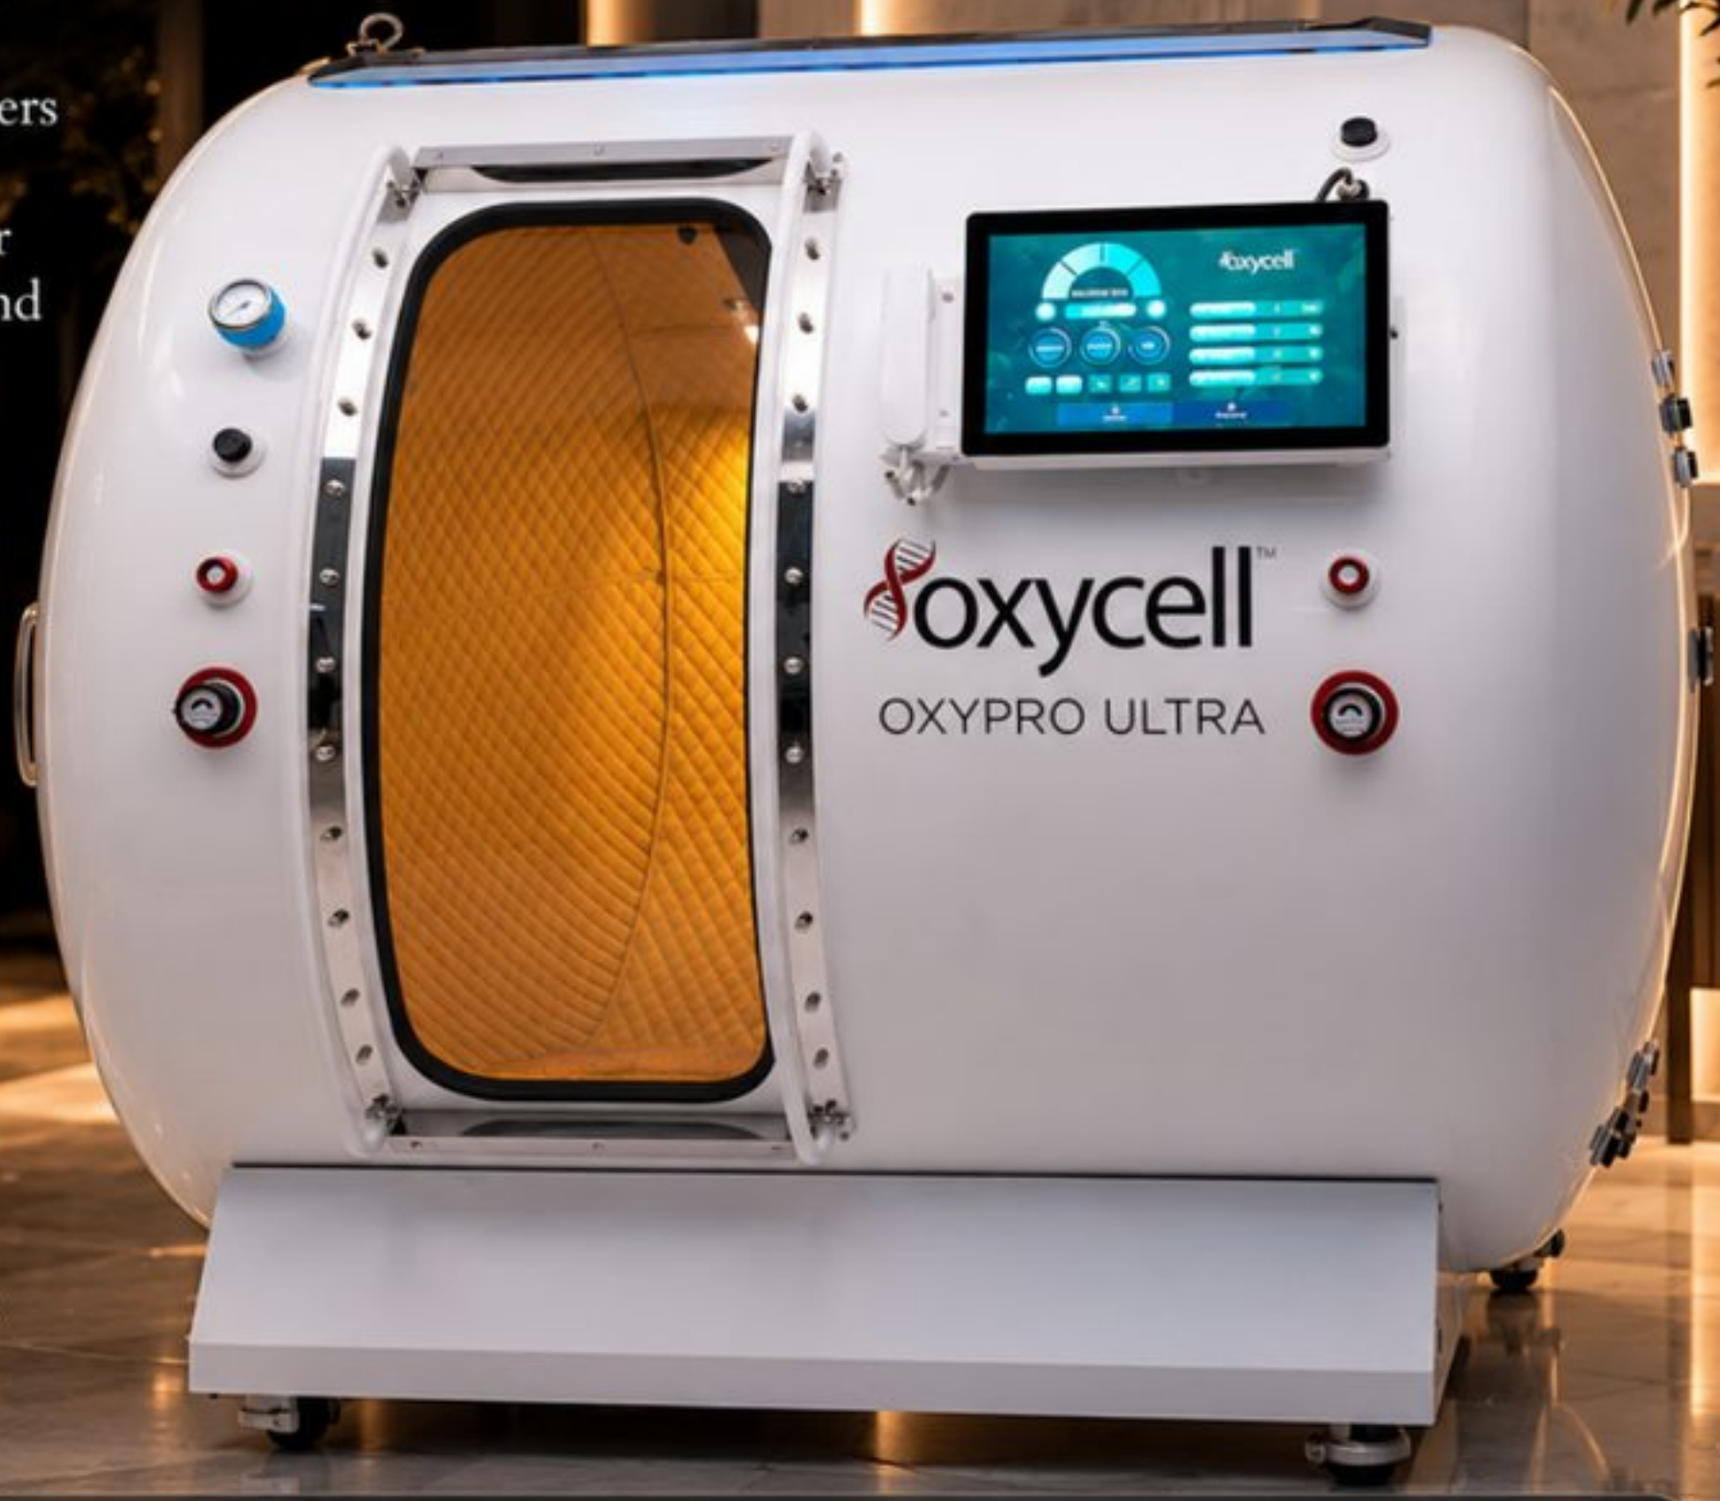

A wellness treatment that delivers 100% oxygen in a pressurized environment to support cellular repair, reduce inflammation, and enhance overall performance and recovery.

PROMOTES CELLULAR REPAIR
Supports tissue healing and regeneration.

REDUCES INFLAMMATION
Helps decrease swelling and speeds recovery.

ENHANCES MENTAL CLARITY
Improves focus, mood, and cognitive function.

SUPPORTS OVERALL WELLNESS
Boosts energy, immunity, and athletic performance.

IDEAL FOR

- Athletic recovery and performance
- Chronic inflammation
- Post-procedure healing
- Immune system support
- Brain health and mental clarity
- Overall wellness and longevity

TREATMENT DETAILS

TREATMENT TIME
60–90 minutes

SESSIONS
3–5 recommended

COMFORT
Relax in a spacious, pressurized chamber with 100% oxygen

DOWNTIME
None

RESULTS

Supports faster recovery, reduced inflammation, improved energy and focus, and enhanced overall health and performance.

RECOVERY | DETOX | WELLNESS

INFRARED SAUNA

DETOXIFY • RECOVER • REJUVENATE

A full-body wellness treatment that uses infrared heat to promote detoxification, improve circulation, support recovery, and enhance overall health and well-being.

DETOXIFIES THE BODY
Supports natural elimination of toxins through sweat.

SUPPORTS RECOVERY
Helps reduce muscle soreness and inflammation.

IMPROVES CIRCULATION
Enhances cardiovascular health and oxygen flow.

PROMOTES RELAXATION
Reduces stress and supports better sleep.

IDEAL FOR

- Detoxification and immune support
- Post-workout recovery
- Muscle soreness and inflammation
- Stress reduction
- Improved sleep and mental clarity
- Overall wellness and longevity

TREATMENT DETAILS

SESSION TIME
20–40 minutes

FREQUENCY
2–5 times per week

TEMPERATURE
120–150°F

COMFORT
Relax in a private, full-body infrared sauna.

RESULTS

Supports detoxification, faster recovery, improved circulation, reduced stress, and enhanced overall wellness and vitality.

RECOVERY | PERFORMANCE | WELLNESS

COMPRESSION THERAPY

NORMATEC COMPRESSIONI BOOTS

A dynamic air compression therapy designed to improve circulation, reduce muscle soreness, and accelerate recovery.

IMPROVES CIRCULATION
Enhances blood flow and oxygen delivery.

REDUCES MUSCLE SORENESS
Helps flush out metabolic waste and decrease inflammation.

ACCELERATES RECOVERY
Supports faster post-workout recovery and performance.

PROMOTES OVERALL WELLNESS
Reduces swelling, improves mobility, and supports lymphatic drainage.

IDEAL FOR

- Post-workout recovery
- Muscle soreness and fatigue
- Athletic performance
- Reduced swelling
- Improved circulation
- Overall wellness and recovery

TREATMENT DETAILS

SESSION TIME
30–60 minutes

FREQUENCY
2–4 times per week

COMPRESSION ZONES
Sequential, dynamic compression

COMFORT
Fully customizable intensity and treatment time

RESULTS

Supports faster recovery, reduced muscle soreness, improved circulation, and enhanced athletic performance and overall wellness.

REGENERATION | RECOVERY | CELLULAR HEALTH

PEMF THERAPY

PULSED ELECTROMAGNETIC FIELD THERAPY

A non-invasive therapy that uses pulsed electromagnetic fields to support cellular function, reduce inflammation, and enhance the body's natural ability to heal and recover.

STIMULATES CELLULAR ENERGY
Supports ATP production and cellular repair.

REDUCES INFLAMMATION
Helps decrease pain, swelling, and discomfort.

IMPROVES CIRCULATION
Supports oxygen and nutrient delivery.

PROMOTES OVERALL WELLNESS
Enhances recovery, sleep, and long-term health.

IDEAL FOR

- Chronic pain and inflammation
- Post-injury recovery
- Athletic performance
- Joint and muscle health
- Improved sleep and stress reduction
- Overall wellness and longevity

TREATMENT DETAILS

SESSION TIME
20–40 minutes

FREQUENCY
2–4 times per week

INTENSITY
Customized to individual needs

COMFORT
Lie or sit comfortably on the plate (clothed, no downtime)

RESULTS

Supports faster recovery, reduced inflammation, improved cellular function, increased energy, and enhanced overall health and performance.

VITAMINS | RECOVERY | IMMUNITY | ENERGY

IV THERAPY

MYERS COCKTAIL • GLUTATHIONE • B12

Intravenous therapy delivers essential vitamins, minerals, and antioxidants directly into the bloodstream for maximum absorption and fast results.

MYERS COCKTAIL

A powerful blend of vitamins and minerals to support immunity, energy, and overall wellness.

KEY INGREDIENTS

- Vitamin C
- B-Complex (B1, B2, B3, B5, B6, B12)
- Magnesium
- Calcium

TOP BENEFITS

- Boosts energy and reduces fatigue
- Supports immune function
- Improves mental clarity and focus
- Aids in recovery and reduces inflammation
- Replenishes essential nutrients

IDEAL FOR

- Low energy and fatigue
- Immune support
- Stress and high workload
- Post-travel or post-illness recovery
- Overall wellness and prevention

GLUTATHIONE

A master antioxidant that helps detoxify the body, brighten skin, and support cellular health.

KEY INGREDIENTS

- Glutathione

TOP BENEFITS

- Detoxifies the body and supports liver health
- Promotes brighter, more even skin tone
- Reduces oxidative stress and inflammation
- Supports immune function
- Enhances cellular repair and longevity

IDEAL FOR

- Detoxification and liver support
- Clearer, brighter skin
- Reducing inflammation
- Immune support
- Anti-aging and overall cellular health

B12

An essential vitamin that helps increase energy, support metabolism, and improve mental focus.

KEY INGREDIENTS

- Vitamin B12 (Methylcobalamin)

TOP BENEFITS

- Increases energy and reduces fatigue
- Supports mental clarity and focus
- Aids in metabolism and healthy weight management
- Supports mood and nerve function
- Enhances athletic performance and recovery

IDEAL FOR

- Low energy and fatigue
- Mental focus and productivity
- Metabolism support
- Athletic performance
- Overall wellness and vitality

LONGEVITY | CELLULAR HEALTH | ENERGY

NAD+ BOOSTER SHOT

CELLULAR REPAIR • ENERGY • BRAIN HEALTH

A high-potency NAD+ booster that helps replenish cellular levels, support mitochondrial function, and promote healthy aging from the inside out.

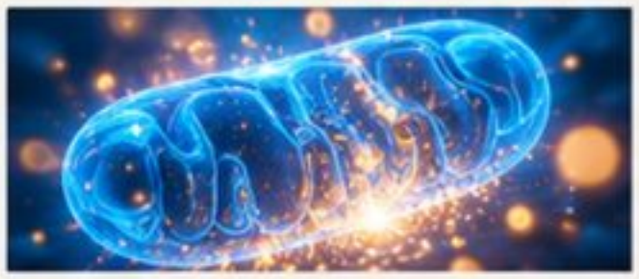

INCREASES CELLULAR ENERGY
Supports natural NAD+ production for more energy and reduced fatigue.

SUPPORTS BRAIN HEALTH
Promotes mental clarity, focus, and cognitive function.

AIDS CELLULAR REPAIR
Supports DNA repair, metabolism, and longevity.

PROMOTES HEALTHY AGING
Helps maintain cellular health and overall vitality.

BOOSTS CELLULAR ENERGY

NAD+ plays a key role in mitochondrial function, helping the body convert nutrients into energy.

SUPPORTS BRAIN FUNCTION

May improve mental clarity, focus, memory, and overall cognitive performance.

AIDS DNA REPAIR

Supports the body's natural repair processes and helps maintain healthy cells.

PROMOTES HEALTHY AGING

Helps maintain NAD+ levels, supporting longevity, resilience, and overall wellness.

IDEAL FOR

- Low energy and fatigue
- Mental clarity and focus
- Healthy aging and longevity
- Athletic performance and recovery
- Overall cellular health

TREATMENT DETAILS

APPOINTMENT TIME
10–15 minutes

ADMINISTRATION
Intramuscular injection

FREQUENCY
As recommended by provider

COMBINES WELL WITH
IV therapy, peptides, and other longevity treatments

RESULTS

- Increased energy and reduced fatigue
- Improved mental clarity and focus
- Enhanced cellular repair and longevity

REGENERATION | RECOVERY | PERFORMANCE | LONGEVITY

BIOCODE RX IV PUSH

CELLULAR SUPPORT FOR OPTIMAL WELLNESS

Biocode RX is a regenerative blend of peptides, amino acids, and cofactors designed to support cellular repair, reduce inflammation, and enhance overall performance and longevity.

SUPPORTS CELLULAR ENERGY
Helps optimize mitochondrial function and energy production.

REDUCES INFLAMMATION
May help modulate inflammatory pathways and support recovery.

ENHANCES RECOVERY
Supports tissue repair, physical performance, and post-procedure healing.

SUPPORTS COGNITIVE FUNCTION
Promotes mental clarity, focus, and overall brain health.

PROMOTES LONGEVITY
Aids in cellular repair, detoxification, and overall wellness.

IDEAL FOR

- Low energy and fatigue
- Recovery and performance
- Inflammation support
- Mental clarity and focus
- Overall wellness and longevity

TREATMENT DETAILS

APPOINTMENT TIME
5–10 minutes

ADMINISTRATION
IV push (1 vial)

FREQUENCY
As recommended by provider

KEY INGREDIENTS

- Peptides
- Amino acids
- Cofactors
- Antioxidants
- Nutrient support complex

REGENERATE | RECOVER | PERFORM | LONGEVITY

STEM CELL INFUSION

WHOLE-BODY REGENERATION AND RECOVERY

A powerful intravenous therapy designed to support cellular repair, reduce inflammation, enhance recovery, and promote long-term health and longevity.

SUPPORTS CELLULAR REPAIR
Helps stimulate the body's natural regeneration processes.

REDUCES INFLAMMATION
May help modulate immune response and support healing.

ENHANCES RECOVERY
Supports faster recovery from physical stress, injury, and aging.

PROMOTES LONGEVITY
Supports overall wellness, performance, and healthy aging.

IDEAL FOR

- Immune system support
- Faster recovery and performance
- Chronic inflammation
- Healthy aging and longevity
- Overall wellness optimization

TREATMENT DETAILS

APPOINTMENT TIME
60–90 minutes

ADMINISTRATION
IV infusion (1 session)

FREQUENCY
As recommended by provider

KEY BENEFITS

- Cellular regeneration
- Reduced inflammation
- Enhanced recovery
- Improved energy and vitality
- Support for long-term health

REGENERATE | RECOVER | PERFORM | LONGEVITY

ADIPOSE STEM CELL HARVEST

NATURAL REGENERATION FROM WITHIN

A minimally invasive procedure that harvests your own adipose (fat) tissue, which is rich in mesenchymal stem cells and growth factors, to support whole-body regeneration, healing, and rejuvenation.

RICH IN STEM CELLS
Adipose tissue contains a high concentration of mesenchymal stem cells and growth factors.

SUPPORTS REPAIR
Helps stimulate natural healing and tissue regeneration.

ANTI-INFLAMMATORY
May help reduce systemic inflammation and support immune function.

NATURAL & AUTOLOGOUS
Uses your own tissue, minimizing the risk of adverse reactions.

WHOLE-BODY BENEFITS
Supports overall wellness, longevity, and healthy aging.

IDEAL FOR

- Overall regeneration and wellness
- Chronic inflammation
- Joint and tissue support
- Healthy aging and longevity
- Recovery and performance optimization

TREATMENT DETAILS

APPOINTMENT TIME
60–90 minutes

PROCEDURE
Minimally invasive liposuction to harvest adipose tissue

PROCESSING
Tissue is processed to isolate stem cells and growth factors

DOWNTIME
Typically 2–7 days

KEY BENEFITS

- Stem cell–rich adipose tissue
- Supports tissue repair and healing
- May reduce inflammation
- Enhances recovery
- Promotes healthy aging
- Boosts overall wellness
- Can be used for a variety of regenerative treatments
